SEATING POSTURE

We recommend computer users adopt an open-angle sitting position, with knees slightly lower than hips.

Always sit near the back of your seat.

Adjust your backrest height so that the lumbar support fits into the lumbar contour of your back.

Adjust your backrest angle, seat angle, and seat height to a position that allows you to sit close to your workstation.

Your feet should be flat on the floor or on a footrest. There should be no pressure under your thighs.

Keyboarding and mouse operation should be achieved comfortably without stretching.

WARRANTY

Spectrum 3 500 is warrantied for 15 years including in multi-shift and 24-hour situations.

The recommended maximum user weight is 160kg.

Eden Office accept full responsibility for faulty workmanship and/or mechanical failure. Chair parts will be repaired or replaced free of charge within this period.

Repairs undertaken by any other party, or adjustment or tampering with mechanical parts, could void the warranty.

CHAIR CARE

The **mechanical parts** of your Spectrum chair require little or no maintenance.

The **castors** should be kept clear of threads or other objects that would inhibit their movement.

The **gaslift** contains pressurised gas and should not be tampered with in any way.

The **foam and standard fabric** used in the upholstery of Spectrum chairs comply with standard AS/NZS 4088.1:1996.

Vacuum regularly. Protect from direct sunlight. Professional cleaning is recommended.

For spot cleaning: Wipe clean with a damp cloth, or shampoo using upholstery shampoo. A mild citrus cleaner may also be used.
